De-soldering pump, Type: 1

Order data

Order number	082302 1
GTIN	4003008065787
Item class	04C

Description

Version:

General-purpose standard desoldering pump with plastic casing.

The ERSA VAC X desoldering pump is characterised by its high suction power and its ergonomic shape. The anti-static characteristics of the device permit its use for desoldering work on electrostatic sensitive assemblies. The long slim desoldering tip permits desoldering work even of very closely populated circuit boards. The special design makes cleaning the pump and changing the desoldering tip very easy.

Technical description

Material	Plastic
Colour	blue / black
Weight	0.057 kg
Manufacturer's designation	VAC X
Type of product	De-soldering pump
