

## Industrial cleaning wipes, Type: R

### Order data

Order number	089182 R
GTIN	7322540238273
Item class	08T

### Description

#### Version:

Cleaning refers to the process of removing stains/spots and contamination from surfaces, machines or tools using wipes which are used either dry or with water, solvents or cleaning agents.

The soft, flexible cloths are ideally suited to cleaning narrow gaps and removing oil and grease. They provide professional cleaning results thanks to the exelCLEAN® technology.  
suitable for holder / dispenser: W8
