Description

Version:

Cleaning refers to the process of removing stains/spots and contamination from surfaces, machines or tools using wipes which are used either dry or with water, solvents or cleaning agents.

The multi-purpose Tork Heavy-Duty Cleaning Cloth is highly absorbent, thick and very durable, withstanding hard scrubbing without falling apart. It works with most solvents and removes oil, grease, water and stubborn spots quickly and effectively, while protecting hands from heat and sharp metal scraps. The cloths are supplied in a handy protective box which is easy to carry so that they are always ready to hand.
