

Garant**Handle for countersink with 3 drive flats, Shank Ø: 10 mm****Order data**

| | |
|--------------|---------------|
| Order number | 150408 10 |
| GTIN | 4062406124885 |
| Item class | 11M |

Description**Version:**

To accept GARANT high-precision countersinks with unequal spacing and **3 drive flats** on the shank. One handle can accept various different sizes of countersink, all with the same shank diameter.

Handy power grip made of particularly tough and impact-resistant polypropylene. Due to its special surface structure, the **grip is non-slip even with oily or wet hands.**

Length of handle: 120 mm
