

## DFG manual force gauge, Measuring range: 2500 N

### Order data

Order number	479025 2500
GTIN	
Item class	47F

### Description

#### Version:

Universal force gauge with OLED display for precisely measuring tensile and compressive forces. Sturdy die-cast housing.

- **Displays the current force value and peak value.**
- **Programmable function keys.**
- **Monitoring of tolerance limits.**
- **Memory for storing measurements.**
- **Statistical evaluation of saved values.**
- **Average force over time (DFC only).**
- **Interface for exporting data.**

#### Supplied with:

Carrying case, charging plug with USB connecting cable, accessories (pressure pad, hook, tip, fin, V-slot, extension).

#### Optional extras:

Manual test stands on request.

Resolution: 0.5 N

Accuracy: 0.2 %

Measured value memory: 50

Length: 191 mm

Width: 84 mm

Height: 42 mm

---

## Technical description

Accuracy	0.2 %
Resolution	0.5 N
Height	42 mm
Width	84 mm
Length	191 mm
Measuring range	250 - 2250 N
Measured value memory	50
Power supply	Mains operated
Measurement technology	digital
Type of product	Draw bar pulling force gauge for tension and compression
