| Order number | 552060 6      |
| GTIN         | 2050002049949 |
| Item class   | 55A           |

### Description

#### Version:

Polishing stone set for fine grinding and polishing in tool and mould making. For manual polishing or in combination with polishing tools such as 078143 NLS110.

**Semi-hard structured aluminium oxide polishing stone** with slow abrasive wear rate. Very tough, meaning it can be used on all tool steels and also non-ferrous materials.

#### Supplied with:

All polishing stone sets contain one polishing stone in each of the following grit sizes: 150, 220, 320, 400, 600.

#### Note:

**Preferably use with oil, paraffin or water.**

Grinding medium code: A

Degree of hardness: semi-hard

Length: 150 mm

Width: 13 mm
