

Garant

Diamond suspension alcohol and water-soluble mono-crystalline, Grit diamond grinding compound: 0,5 µm

Order data

Order number	552410 0,5
GTIN	4062406574420
Item class	51E

Description

Version:

Alcohol and water-soluble diamond suspension in a handy pump spray bottle.

Advantage:

No clumping of the diamond particles, so that the full cutting performance of the diamond grit is utilised.

Application:

For economical polishing and lapping of larger surfaces, as well as for impregnating polishing cloths and polishing discs.

Grinding medium code: D

Grit designation: micro-fine

Colour code: white

Capacity: 200 ml
