

**Garant****CaraFin diamond polishing cloth, soft, 150×180 mm, Grit: D1 µm****Order data**

Order number	552785 D1
GTIN	4045197994622
Item class	51G

**Description****Version:**

**CaraFin diamond polishing tools** coated on one side with **mono-crystalline diamond**. The bonded diamond grit achieves significantly **higher effectiveness** than loose diamond grit in polishing pastes.

Soft polishing cloth for **contour-true mirror finish polished surfaces** on **soft and easily-scratched** materials.

**Advantage:**

Ancillary times for preparation and cleaning, such as are required when polishing pastes are used, are eliminated.

**Diamond polishing wipes** (microfibre) coated on one side with **mono-crystalline diamond**.

**Application:**

For quick, dry polishing by hand.

For quick, dry polishing by hand.
