

## CaraFin diamond self-adhesive polishing sheet set, 10 pieces, 18×8 mm, Grit: D3 µm

### Order data

Order number	553990 D3
GTIN	4062406300630
Item class	51G

### Description

#### Version:

**CaraFin diamond polishing tools** coated on one side with **mono-crystalline diamond**. The bonded diamond grit achieves significantly **higher effectiveness** than loose diamond grit in polishing pastes. Micro-fibres for high-gloss polish, gentle to the workpiece.

#### Advantage:

Ancillary times for preparation and cleaning such as are required when polishing pastes are used are eliminated. Moulds optimally to the contours.

#### Application:

Polishing work with high flexibility and conformity to contours **without polishing pastes**. Ideally suited to use in combination with hand piece No. 078143 size NLS110 on micro-abrasive systems.

Grinding medium code: D

Polishing stage: Mirror finish

Colour: grey

### Technical description

Polishing stage	Mirror finish
Grinding medium code	D
Colour	grey
Length	18 mm

Width	8 mm
