

**Bench stone, original Arkansas (grey), grit 5000 in a wooden box,  
Length×Width: 100X40 mm**

## Order data

Order number	558827 100X40
GTIN	4037073005867
Item class	56Z

## Description

**Version:**

Natural stone (original-Arkansas) of very fine grit quartzite; very strong edges. For the finest surfaces and burr-free grinding. Grit 5000 (pre-grinding), grit 8000 (polishing).

**Application:**

For **deburring, sharpening, truing** and **chamfering** of tools and tool cutters. For re-working bores, surfaces and edges in mould making. Also for improving the surface for stock removal, finishing, and polishing. **Best used with oil, paraffin or water.**

**Note:**

Low dose of oil increases tool life and edge sharpness.

## Technical description

Width	40 mm
Length	100 mm
