

“Rapidaptor” free-running bit holder, Hexagon shank: 6,3F

Order data

Order number	675035 6,3F
GTIN	
Item class	63H

Description

Version:

“Rapidaptor” adaptor with automatic quick-release adaptor and magnet for C 6.3 and E 6.3 bits (the magnet holds the screw). The free-running feature allows for a particularly quick return movement without having to remove the screwdriver when tightening screws. For use in particular with Wera torque screwdrivers with pistol handle for faster and more ergonomic working

Bit socket: D 6.3

overall length: 64 mm

Machine drive: E 6.3
