

**Heat gun, Type: 351601****Order data**

Order number	078321 351601
GTIN	4007841351601
Item class	07E

Description**Version:**

Electronically controlled heat gun with stepless regulation of the air quantity.

- **Connecting cable can be easily exchanged.**
- **Exchangeable ceramic heater with a service life of approx. 800 h.**
- **Air pressure of up to 4,000 Pa.**
- **Temperature can be set from 50 – 700°C using a joystick.**
- **Air volume controlled from 150 – 500 l/min.**
- **Safeguard against accidental restart.**
- **Cooling stage.**
- **LCD display and residual-heat indicator.**

High-quality hot air gun HG 2520 EKF in pistol format for professional applications, with carrying case.

Application:

For welding and forming plastics, for shrinking, removing paints, soldering, drying, and thawing.

Attention:

German version. Order free UK adapter plug No. 08 1172_GB.

Packaging: transport suitcase

Manufacturer's designation: HG 2520EKF

Power consumption: 2300 W

Air temperature: 50 - 700 °C

Air flow volume: 150 - 500 l/min

Weight: 840 g

Technical description

Weight	840 g
Air flow volume	150 - 500 l/min
Manufacturer's designation	HG 2520EKF
Air temperature	50 - 700 °C
Power consumption	2300 W
Packaging	transport suitcase
