

KÄRCHER**Quick charger, Type: CHARGER****Order data**

Order number	078518 CHARGER
GTIN	4054278558172
Item class	07C

Description**Version:**

- **Operating readiness indication by LEDs.**
- **High charging current, short charging times.**
- **Suitable for wall-mounting.**
- **Compatible with all 36 V batteries in the Kärcher rechargeable battery range.**

Suitable for :

078520 NT22AP.

Manufacturer's designation: Battery Power+ 36/60

Nominal voltage: 110 - 240 V

maximum charging current: 6 A

Technical description

maximum charging current	6 A
Nominal voltage	110 - 240 V
Manufacturer's designation	Battery Power+ 36/60
Mains frequency	50 Hz
Type of product	Battery charger
