

Line Light cordless inspection lamp, Type: 465 mm

Order data

Order number	081341 465
GTIN	5708997352441
Item class	08C

Description

Version:

The Line Light work lamp is formed of an extruded acrylic profile with an **integral lens** (beam dispersion angle 75°). It is thus exceptionally **sturdy and shock-resistant**. It is thus designed for use under the **harshest conditions** and reliably provides strong and concentrated light in any working area. With **battery for mobile use** with additional torch on the end (150 lumen). The lamp can be rotated in its housing to give lighting without dazzle.

Function:

IP65: Protected against jets of water from all directions and protected against penetration by dust (dust-tight), also completely protected against touching.

Supplied with:

Work light with battery, charger, mounting clip with magnet, and lockable hook.

IP Index of Protection: IP 65

ATEX zone: no

Light output: 2.6 W

Illumination: 150 - 600 lm

Working life: 1.5 h

Number of rechargeable batteries contained: 1

Type of rechargeable battery: Lithium-ion

Technical description

IP Index of Protection	IP 65
ATEX zone	no

Working life	1.5 h
Illumination	150 - 600 lm
Overall length	380 mm
Head Ø	25 mm
Power supply	Rechargeable battery-powered
Bulb	LED module
Battery capacity	2.6 Ah
Number of rechargeable batteries contained	1
Type of rechargeable battery	Lithium-ion
Spread angle	75 degrees
Battery voltage	3.7 V
Colour temperature	6000 K
Light output	2.6 W
Weight	450 g
Type of product	Inspection lamp

Accessories

Sucker pad holder	081345
Magnetic holder	081344
