

## Screw extractor with coarse flutes, Type: 5

### Order data

Order number	082862 5
GTIN	4018754042067
Item class	04D

### Description

#### Version:

Made of chrome vanadium steel. The sharp edges of the flutes dig into the drilled screw and allow it to be unscrewed. With square drive for use with tap wrench etc.

#### Application:

For extraction of broken off screws with right-hand thread (pre-drill the hole  $\varnothing$  as listed in the table; turn the screw extractor anti-clockwise).

#### Note:

UNC and UNF threads available on request.

Pre-drill  $\varnothing$ : 8 mm

suitable for screws/bolts: M16

suitable for: Aluminium

suitable for: Brass

suitable for: Steel

suitable for pipe spigots (couplings): 1/4 inch
