

**Floor marking tape extra strong, Colour: BLUE****Order data**

Order number	083639 BLUE
GTIN	763081409840
Item class	08M

**Description****Version:**

The 3M™ coloured marking and floor marking tapes are ideally suited for use in situations of building maintenance and for improving safety within the plant. The special structure of the coloured PVC adhesive tapes resists scratching, abrasion, weather and most chemicals. Easy to apply, very supple even on uneven surfaces.

The **3M™ 971** is a very hard-wearing adhesive tape which was developed specially for use in areas where it is exposed to the most severe stresses. Even on areas with constant fork-lift truck traffic and frequent shifting of pallets, it continues to maintain clear signage. In circumstances where frequent changes of process sequences occur it can be quickly and cleanly removed again to allow replacement.

**Note:**

The specified "best before" date for 3M™ products is in relation to compliance with the specified storage guidelines.

Adhesive: Vulcanised rubber

Colour: blue

Length: 33 m

Width: 50 mm

Thickness: 0.79 mm

## Technical description

Length	33 m
Working life after date of manufacture	12 month
Liner present	yes
Adhesive strength on steel	1.3 N/mm
Adhesive	Vulcanised rubber
Thickness	0.79 mm
Width	50 mm
Tensile strength	17.16 N/mm
Storage humidity	40 - 65 %
Storage temperature	16 - 25 °C
Colour	blue
Type of adhesive tape	single-sided
Backing material	PLA film
Manufacturer's designation	971
Stretch capability	290 %
Type of product	Floor marking tape
