

**Floor marking tape extra strong, Colour: ORANGE****Order data**

Order number	083639 ORANGE
GTIN	638060143421
Item class	08M

Description**Version:**

The 3M™ coloured marking and floor marking tapes are ideally suited for use in situations of building maintenance and for improving safety within the plant. The special structure of the coloured PVC adhesive tapes resists scratching, abrasion, weather and most chemicals. Easy to apply, very supple even on uneven surfaces.

The **3M™ 971** is a very hard-wearing adhesive tape which was developed specially for use in areas where it is exposed to the most severe stresses. Even on areas with constant fork-lift truck traffic and frequent shifting of pallets, it continues to maintain clear signage. In circumstances where frequent changes of process sequences occur it can be quickly and cleanly removed again to allow replacement.

Note:

The specified "best before" date for 3M™ products is in relation to compliance with the specified storage guidelines.
