

**Fabric adhesive tape, silver, Width×length: 48X50 mm×m****Order data**

Order number	083765 48X50
GTIN	4062406241001
Item class	02A

Description**Version:**

General-purpose adhesive tapes for numerous areas of application such as repairs, protection, wrapping up and packaging.

General-purpose product for repair work.

Type of adhesive tape: single-sided

Adhesive: Synthetic rubber

Colour: silver

Thickness: 0.17 mm

Technical description

temperature-resistant up to	75 °C
Colour	silver
Backing material	Fabric
Special features	tearable by hand
Tensile strength	3.5 N/mm

Adhesive	Synthetic rubber
Width	48 mm
Application	Sealing
Application	Attaching
Application	Binding
Application	Securing
Application	Masking
Application	Packing
Application	Bonding
Length	50 m
Liner present	no
Stretch capability	25 %
Storage humidity	50 %
Thickness	0.17 mm
Fabric fineness	32 mesh
"Best before" date	12 month
Adhesive strength on steel	0.75 N/mm
Type of adhesive tape	single-sided
Storage temperature	20 °C
Product name attribute	silver
Type of product	Adhesive tape
