

**Fabric adhesive tape, black, Width×length: 48X50 mm×m****Order data**

Order number	083766 48X50
GTIN	4062406242213
Item class	02A

Description**Version:**

General-purpose adhesive tapes for numerous areas of application such as repairs, protection, wrapping up and packaging.

General-purpose product for repair work.

Type of adhesive tape: single-sided

Adhesive: Synthetic rubber

Colour: black

Thickness: 0.17 mm

Technical description

Adhesive	Synthetic rubber
Stretch capability	25 %
Storage temperature	20 °C
Width	48 mm
Type of adhesive tape	single-sided

temperature-resistant up to	75 °C
Application	Sealing
Application	Attaching
Application	Binding
Application	Securing
Application	Masking
Application	Packing
Application	Bonding
Tensile strength	3.5 N/mm
Colour	black
Liner present	no
Storage humidity	50 %
Fabric fineness	32 mesh
"Best before" date	12 month
Special features	tearable by hand
Length	50 m
Thickness	0.17 mm
Backing material	Fabric
Adhesive strength on steel	0.75 N/mm
Product name attribute	black
Type of product	Adhesive tape
