

Yale

Spur-gear block and tackle Yalelift 360°, Safe working load: 5 t

Order data

Order number	086025 5
GTIN	4025092941136
Item class	08X

Description

Version:

Each spur-gear block and tackle is factory overload-tested and supplied with a user manual and test certificate.

The 360° rotatable manual chain guide permits operation from all positions. Designed for heavy-duty use. Satisfies the latest European safety regulations. The user is no longer forced to work in the hazardous area of the load.

Note:

Lifting capacity up to 20 tons, chain box and overload protection available on request.

Lifting force at nominal load: 44 daN

Standard lifting height: 3 m

Number of chains: 2

Safe working load: 5000 kg

Weight: 38 kg
