## Electric chain hoist CPV VEGO, Type: 0,5-8

### Order data

|              |               |
|--------------|---------------|
| Order number | 086035 0,5-8  |
| GTIN         | 2050001790583 |
| Item class   | 08Y           |

### Description

#### Version:

Electric chain hoist with **lifting hook** in robust and reliable design. The integral **end-of-travel switch** for the highest and lowest hook positions protects the clutch, motor, and housing and extends their working life. Drive group 1 Am, 50 % duty cycle at one speed, standard operating voltage (400 V / 50 Hz). Enhanced operating safety due to 42 V contactor controls, encapsulated control switches to Index of Protection IP65, motors to IP55.

#### Note:

Versions with 2 speeds (precision lifting) and other lifting heights, power traverse, chain box and 230 V power supply available on request.

Lifting speed: 8 m/min

Standard lifting height: 3 m

Number of chains: 1

Safe working load: 500 kg

Weight: 27 kg

### Technical description

|                        |     |
|------------------------|-----|
| adjustable slip clutch | yes |
