

Yale

Hydraulic hand pump HPS, Number of steps / Tank volume: 1/0,7 litres

Order data

Order number	086050 1/0,7
GTIN	4025092159081
Item class	08Y

Description

Version:

All components and attachments satisfy **metric standard ranges**, which considerably simplifies assembly, service, and the procurement of spare parts. **100 % compatibility** with all commercially-available 700 bar hydraulic systems.

2-stage hand pump **with rapid movement setting** (except size 1/0.7). The switch from first to second stage is performed automatically. **With pressure limiting valves adjustable in the range 0 – 700 bar. All-metal construction** with fine-adjustment release valve, bleeding and filling screw and a carrying eye on the operating handle.

Supplied with:

Filled with oil, without manometer.

Note:

Closed systems are pre-mounted ex works, filled and air bled.

For hydraulic hand pump see No. 086050, hydraulic hose No. 086081, pressure gauge No. 086087.

Number of pressure stages: 1

Delivery quantity per load stroke (2nd stage): 2 ml

usable tank volume: 700 ml

Weight: 7 kg
