

**T-tap wrench with ratchet, All-steel, Overall length: 85 mm****Order data**

Order number	148700 85
GTIN	4045197511102
Item class	11K

**Description****Version:**

With two-jaw chuck for clamping square shanks. Moveable T-handle with a groove at each end for engaging the retaining ball. Bracket chrome-plated. Ratchet is reversible and can also be locked. **All-steel construction** for high torque applications. Toolholder with precision concentricity and tight tolerances. Clamping jaws milled and induction hardened for high toughness and optimum surface hardness.

**Application:**

Suitable for tapping holes where access is difficult.

**Note:**

The square sizes of other tap and reamer sizes can be found in the tables in the respective Product Groups.
