

## duMONT

### Guide bush for bore H7, Bush Ø: 24C1 mm

#### Order data

Order number	290415 24C1
GTIN	2050001096340
Item class	29J

#### Description

**Version:**

Without collar.

**Application:**

**Push broaches with identification mark A and guide bushes with identification mark A should be used together.**

The same applies to the other markings. So that the broach can run through to its full height and can drop back again freely, the guide bush must be inserted into the press bedplate at the same time as the workpiece is threaded through.

**Note:**

Further sizes available on request.

Slot width: 9.63 mm

Length: 64 mm

#### Technical description

Bush Ø	24 mm
Slot width	9.63 mm
Length	64 mm

Type of product

Broach
