

## duMONT

### Guide bush for bore H7, Bush Ø: 40D1 mm

#### Order data

Order number	290415 40D1
GTIN	2050001096401
Item class	29J

#### Description

**Version:**

Without collar.

**Application:**

**Push broaches with identification mark A and guide bushes with identification mark A should be used together.**

The same applies to the other markings. So that the broach can run through to its full height and can drop back again freely, the guide bush must be inserted into the press bedplate at the same time as the workpiece is threaded through.

**Note:**

Further sizes available on request.

Slot width: 14.39 mm

Length: 100 mm

#### Technical description
