

Garant
3-way extension base centring vice, for type: 80/120

Order data

Order number	360156 80/120
GTIN	4045197801937
Item class	310

Description
Version:

Clamping on the centring vice on the three-way extension base via table clamps. Double slot on each clamping face, so that the centring vice can optionally be displaced by 90°. The extension base is mounted on the machine table either via the GARANT ZeroClamp zero point clamping system (attachment holes are pre-prepared for stud No. 360025 size 18M16) or by tenons directly on to the machine table.

Material:

High-tensile aluminium, hard anodised.

Suitable for :

Centring vice No. 360133.

Supplied with:

Including 6 T-nuts for alignment

Note:

For installing the Xtric 80. Use the clamping set 363082 80. See spare parts list.

Ø d: 400 mm

Height h: 140 mm

Slot width n H7: 20 mm

Angle α : 45 degrees
