PLAN(O)LTH
Granite plate Accuracy class 1, Length $\times$ Width: 630X630 mm

| Order data |  |
| :--- | :--- |
| Order number | $430200630 \times 630$ |
| GTIN | 2050001039347 |
| Item class | 46 H |

## Description

## Version:

Specially selected natural granite.

- Free of flaws, homogeneous structure.
- Deflection and torsion resistant.
- Absolutely rustproof and resistant to acid, low thermal conductivity.
- Micro-fine surface treatment (diamond lapped). Tolerances tighter than recommended limits.
- Ground outside edges, visually true.
- For static determination of position, contact points (steel ball inserts) are fitted to the underside.
Harder than hardened steel (Mohs hardness scale 6-7), non-magnetic and electrically non-conductive.

## Accuracy:

Final manufacturing and inspection take place in computer-controlled climatic rooms. The used measuring equipment guarantees the exact connection to national and international calibration laboratories.
DIN 876/1 - diamond lapped for workshop and production.
Supplied with:
Supplied with test certificate, transport packing. Including steel ball inserts.
Note:
On request: Stainless steel screw inserts, steel T-slot rails (steel T-slot rails not available for No. 430190), accuracy 000, other sizes, intermediate sizes. Delivery excluded.

Test certificate: Manufacturer's test certificate
Flatness: 0.016 mm
Thickness: 70 mm
Number of steel ball inserts: 3
Weight: 83 kg

## Technical description

| Weight | 83 kg |
| :--- | :---: |
| Thickness | 70 mm |
| Flatness | 0.016 mm |
| Number of steel ball inserts | 3 |
| Standard | DIN 876 |
| Test certificate | Manufacturer's test certificate |
| Type of product |  |

## Services

Labelling laser-etched Type 018940

## Accessories

| Care product for granite Contents $0,5 \mathrm{~kg}$ | 431840 0,5 |
| :--- | :---: |
| Support cabinet for insert size length $\times$ width $630 \times 630 \mathrm{~mm}$ | 431050630 X 630 |
| Cleaner for natural granite Contents $0,5 \mathrm{I}$ | 4318410,5 |
| Support frame for insert size length $\times$ width 630X630 mm | $431000630 \times 630$ |
