#### Description

##### Version:

Sturdy welded construction including levelling fittings. Uneven floors can be compensated using height compensation screws.

**Support cabinet**, casing made from sheet steel, with swing-door (including storage shelf) and/or drawers depending on size, including GARANT locking system. Paint finish of the shell RAL 9006 aluminium white, front faces RAL 5011 steel blue.

##### Application:

The natural granite tables No. 430190 - 430500 are mounted on pre-determined points (steel ball inserts).

- **For plates up to 630×630 mm. For setting up on workbenches and the like, adjustable screw jacks No. 373500 are most suitable.**
- **The support jacks are adjustable for height and allows the table to be levelled (3-point contact and 2 support screws as protection against tipping)**
