

**Angle clamp for OSIMESS, for nominal measuring range: 0,95-20,6 mm****Order data**

Order number	435014 0,95-20,6
GTIN	2050001055767
Item class	46D

Description**Suitable for :**

Nominal measuring range 0.95 -20.6 mm.

Technical description

for nominal measuring range	0.95 - 20.6 mm
Type of product	Angle clamp for precision bore gauge
