

## Round electrode

### Order data

Order number	473346
GTIN	2050001951472
Item class	47F

### Description

**Version:**

Round electrode with integral conductive rubber. For leakage and surface resistance measurement according to IEC 61340.

**Supplied with:**

Includes a base pad to compensate for irregularities.

Height: 80 mm

Weight: 2300 g

Diameter: 70 mm

### Technical description

Height	80 mm
Diameter	70 mm
Weight	2300 g
Type of product	Resistance measuring device

## Accessories

ESD test station including mains adapter Type DE	972880 DE
ESD test station including mains adapter Type EN	972880 EN
