

HOLEX®
Radius gauge, for radius: 15,5-25 mm

Order data

Order number	477500 15,5-25
GTIN	4045197207371
Item class	42H

Description
Version:

Made of steel; precision **concave and convex gauges**. Flat retaining clip with clamping screws for holding the blades (except size 0.5 - 13). Each marked with the respective radius.

Application:

For checking internal and external radii.

0.5 mm increments: 15.5 - 20 mm

1.0 mm increments: 20 - 25 mm

No. of blades for internal / external radii: 15

Technical description

1.0 mm increments	20 - 25 mm
0.5 mm increments	15.5 - 20 mm
No. of blades for internal / external radii	15
for radius	15.5 - 25 mm
Type of product	Radius gauge
