

Garant**2-component ergonomic file handle, Overall length: 95 mm****Order data**

Order number	519600 95
GTIN	4045197890337
Item class	51E

Description**Version:**

Ergonomic 2-component file handle with hole for hanging up and **practical colour code clips** (red, green, yellow) for individual marking of, for example, the cut. The non-slip surface and **ergonomic shape** ensure **non-tiring power transmission** even in wet or oily hands. Reversible reduction inserts ensure a secure grip on all tangs.

Application:

For all workshop, key, and precision files.

Supplied with:

File handle including 1 red, 1 green and 1 yellow colour-coded clip.
suitable for file length: 100 mm
