

Precision square file, Length without tang mm / Swiss cut: 150/0

Order data

Order number	524500 150/0
GTIN	613548068847
Item class	53B

Description

Version:

Swiss precision files satisfy the highest demands for accuracy of shape, precision cut, removal rate and tool life. Special steel with hardness **65-66 HRC**. Unlike engineer's files, these have **slightly convex shapes** exactly matched to the application, a special cut angle and an extensive selection of different cuts. As a result smooth surfaces are always achieved in the most cost-effective way.

Cuts on all faces; tapers to a point. Square end.

equivalent to German cut: 1 – 2

Width: 5.5 mm

Technical description

Width	5.5 mm
Length without tang	150 mm
equivalent to German cut	1 – 2
Type of product	Precision file

Accessories
