

## Precision half-round file, Length without tang mm / Swiss cut: 250/0

### Order data

Order number	525000 250/0
GTIN	613548069158
Item class	53B

### Description

#### Version:

**Swiss precision files** satisfy the highest demands for accuracy of shape, precision cut, removal rate and tool life. Special steel with hardness **65-66 HRC**. Unlike engineer's files, these have **slightly convex shapes** exactly matched to the application, a special cut angle and an extensive selection of different cuts. As a result smooth surfaces are always achieved in the most cost-effective way.

#### Cuts on all faces; tapers to a point.

equivalent to German cut: 2

Cross section: 25.5×7.5 mm

### Technical description

Length without tang	250 mm
Cross section	25.5×7.5 mm
equivalent to German cut	2
Type of product	Precision file

### Accessories
