

Precision half-round file, Length without tang mm / Swiss cut: 250/00

Order data

Order number	525000 250/00
GTIN	613548069165
Item class	53B

Description

Version:

Swiss precision files satisfy the highest demands for accuracy of shape, precision cut, removal rate and tool life. Special steel with hardness **65-66 HRC**. Unlike engineer's files, these have **slightly convex shapes** exactly matched to the application, a special cut angle and an extensive selection of different cuts. As a result smooth surfaces are always achieved in the most cost-effective way.

Cuts on all faces; tapers to a point.

equivalent to German cut: 1

Cross section: 25.5×7.5 mm

Technical description

Cross section	25.5×7.5 mm
Length without tang	250 mm
equivalent to German cut	1
Type of product	Precision file
