### Order data

Order number	527060 5
GTIN	613548056264
Item class	53B

### Description

#### Version:

**Swiss precision files** with highest shape accuracy, cut precision, removal rate, and tool life. Shapes similar to needle files, however with **strong, forged** square or hexagonal **tang** and **strengthened cross section**.

**No file handle required.**

#### Application:

Particularly suitable for tool and mould making due to tapered, slim shape. **Habilis precision files** allow **heavier working pressures** than needle files.
