

Diamond needle file, 215 mm Grit D126 (medium) general-purpose, Type: 4

Order data

| | |
|--------------|---------------|
| Order number | 529150 4 |
| GTIN | 4007220017340 |
| Item class | 53B |

Description

Version:

Equivalent to needle files No. 529220, however made from blanks similar to the Habilis files No. 527060 (thicker cross section, high-strength forged tang); approx. **3 times the coated area** of needle files.

Application:

For filing **hardened steels, hard metal, glass, ceramic** and **fibre-reinforced plastics**. Use **light pressure** for filing, particularly on edges. Heavier pressure does not increase the removal rate but damages the file.

Grinding medium code: D

Shape description: round

Cross-section with coating: 6.7 mm

Coating length: 100 mm

Technical description

| | |
|----------------------------|---------|
| Cross-section with coating | 6.7 mm |
