

## Diamond needle file, 215 mm Grit D126 (medium) general-purpose, Type: 6

### Order data

Order number	529150 6
GTIN	4007220017326
Item class	53B

### Description

#### Version:

Equivalent to needle files No. 529220, however made from blanks similar to the Habilis files No. 527060 (thicker cross section, high-strength forged tang); approx. **3 times the coated area** of needle files.

#### Application:

For filing **hardened steels, hard metal, glass, ceramic** and **fibre-reinforced plastics**. Use **light pressure** for filing, particularly on edges. Heavier pressure does not increase the removal rate but damages the file.

Grinding medium code: D

Shape description: 3- square

Cross-section with coating: 10 mm

Coating length: 100 mm

### Technical description

Cross-section with coating	10 mm
Shape description	3- square
Coating length	100 mm
Overall length	215 mm
Grinding media	Diamond
Grinding medium code	D
Grit	D126
incl. file handle	no
File handle required	no

Type of product

Handy file
