

Diamond needle file set, 5 pieces, 215 mm Grit D126

Order data

Order number	529160
GTIN	4007220017357
Item class	53B

Description

Version:

Equivalent to needle files No. 529220, however made from blanks similar to the Habilis files No. 527060 (thicker cross section, high-strength forged tang); approx. **3 times the coated area** of needle files.

Application:

For filing **hardened steels, hard metal, glass, ceramic** and **fibre-reinforced plastics**. Use **light pressure** for filing, particularly on edges. Heavier pressure does not increase the removal rate but damages the file.

Supplied with:

5 pieces, 1 each file No. 529150 size 1; 3; 4; 5; 6 in a sturdy plastic box.
Grinding medium code: D

Technical description

Grinding media	Diamond
Grinding medium code	D
Grit	D126
Overall length	215 mm

incl. file handle	no
File handle required	no
