

**Garant****CaraFin diamond polishing cloth, medium, 180×180 mm, Grit: D15 µm****Order data**

Order number	552790 D15
GTIN	4045197888358
Item class	51G

**Description****Version:**

**CaraFin diamond polishing tools** coated on one side with **mono-crystalline diamond**. The bonded diamond grit achieves significantly **higher effectiveness** than loose diamond grit in polishing pastes.

Polishing cloth for **contour-true high-gloss finish polished surfaces** on hard materials.

**Advantage:**

Ancillary times for preparation and cleaning, such as are required when polishing pastes are used, are eliminated.

**Diamond polishing wipes** (microfibre) coated one side with **mono-crystalline diamond**.

**Application:**

For quick, dry polishing by hand.

Grinding medium code: D

Grit designation: Final polishing

**Technical description**
