

**Garant**
**Grinding disc (CER), Ø 50.8 mm, Grit: 36**

**Order data**

Order number	553921 36
GTIN	4045197526168
Item class	51E

**Description**
**Version:**

Optimum connection between the backing pad and grinding disc by the quick-clamping system (internal thread). Easy and quick disc replacement by hand, even after heavy use.

Sanding disc is centralised, resulting in vibration-free concentricity.

**Ceramic grit (CER)** ideal for working on stainless steels and nickel alloys. High removal rate and cool cut.

**Application:**

**For efficient sanding down of small areas, even with varying contours** in tool, mould and model making, machine, plant and container building. Reduced tool changing times save costs on multi-stage operations.

**Note:**

Other dimensions and grits available on request.

Grinding medium code: Ceramic

maximum speed: 25000 rpm

**Technical description**

Grit	36
Disc Ø	50.8 mm
Grinding media	Ceramic grit (CER)
Grinding medium code	Ceramic
Product name attribute	Ø 50.8 mm

maximum speed	25000 rpm
Type of product	Grinding wheel
