

Grinding disc (A), Ø 25.4 mm, Grit: 60

Order data

Order number	553925 60
GTIN	4045197331014
Item class	52E

Description

Version:

Optimum connection between the backing pad and grinding disc by the quick-clamping system (internal thread). Easy and quick disc replacement by hand, even after heavy use.

Aluminium Oxide (A) for general-purpose use.

Sanding disc is centralised, resulting in vibration-free concentricity.

Application:

For efficient sanding down of small areas, even with varying contours in tool, mould and model making, machine, plant and container building. Reduced tool changing times save costs on multi-stage operations.

Note:

Other dimensions and grits available on request.

Grinding medium code: A

maximum speed: 30000 rpm

Technical description

Grit	60
Disc Ø	25.4 mm
Grinding media	Regular aluminium oxide (A)
Grinding medium code	A
Product name attribute	Ø 25.4 mm
maximum speed	30000 rpm

Type of product
