

Elasto-abrasive cleaner (SiC), Length×Width: 120X65 mm

Order data

Order number	557680 120X65
GTIN	4045197241795
Item class	52E

Description

Version:

Flexible hand abrasive block with flexibly bonded abrasive grit (long service life, fully usable). Open pore bonding ensures the abrasive body never clogs. Suitable for wet and dry use. Water and oil resistant.

High quality version with **pure silicon carbide (SiC)** abrasive grit and special elastic composite material.

Application:

Multi-purpose for **cleaning, polishing, smoothing, mat finishing** and **abrading all materials**.

Note:

Water, oil, compounds or similar agents **increase the effectiveness**.

Grit designation: fine

Length: 120 mm

Width: 65 mm

Height: 30 mm
