

## Bench stone – Original Arkansas (white), 8000 grit, flat, Length×Width: 100X6 mm

### Order data

Order number	558750 100X6
GTIN	4037073002286
Item class	56Z

### Description

#### Version:

Natural stone (original-Arkansas) of very fine grit quartzite; very strong edges. For the finest surfaces and burr-free grinding. 8000 grit (polishing).

#### Application:

For **deburring, sharpening, truing** and **chamfering** of tools and tool cutters. For re-working bores, surfaces and edges in mould making. Also for improving the surface for stock removal, finishing, and polishing. **Best used with oil, paraffin or water.**

#### Note:

Low dose of oil increases tool life and edge sharpness.

Grit: 8000

Colour: white
