

**Bench stone – Original Arkansas (white), 8000 grit, gouge, Length×Width: 100X40 mm****Order data**

Order number	558765 100X40
GTIN	4037073005812
Item class	56Z

**Description****Version:**

Natural stone (original-Arkansas) of very fine grit quartzite; very strong edges. For the finest surfaces and burr-free grinding. 8000 grit (polishing).

**Application:**

For **deburring, sharpening, truing** and **chamfering** of tools and tool cutters. For re-working bores, surfaces and edges in mould making. Also for improving the surface for stock removal, finishing, and polishing. **Best used with oil, paraffin or water.**

**Note:**

Low dose of oil increases tool life and edge sharpness.

Grit: 8000

Colour: white
