Order data

Order number	627133 9
GTIN	4013288188403
Item class	63F

Description

Version:

The **spring-loaded retainer ball**, made of high quality steel, retains screws very securely in all positions even when the screw is at an angle. This retention function makes the screwdriver the ideal tool, particularly when screws have to be inserted and tightened horizontally, at an upward or downward angle or into deep blind holes.

The **plastic clip** enables easy removal of each individual wrench, without the need to move another one.

Advantage:

"Take it easy" tool finder with colour marking by sizes – **to find the required tool quickly and easily.**

Material:

Chrome vanadium steel, through hardened (toughened), BlackLaser surface.

Content:

1 each L-wrench – from 3 mm with retainer ball: Size 1.5; 2; 2.5; 3; 4; 5; 6; 8; 10

Presented in a: Plastic clip

Material: Chrome vanadium steel
