| Order number | 627200 4 |
| GTIN | 4013288148605 |
| Item class | 63F |

Description

Version:

L-form shaft; ball point can be applied up to an angle of **30°**.
 Chrome vanadium steel, through hardened (toughened). **Hex-plus profile** prevents deformation of the screw head and transmits more torque, chrome-plated.
 Stock length: 140×25 mm
