

IMPAKTOR bit for hexagon, 1/4 inch C 6.3, Hexagon: 5 mm

Order data

Order number	674115 5
GTIN	4013288157423
Item class	63H

Description

Version:

Selected steel quality, hardening technique, production process, and special geometries lead to outstanding results with IMPACT screwdrivers. In connection with the diamond coating (significantly reduces cam-out forces) and the torsion zone, working lives up to 5 times **longer** than standard bits are achieved.

Application:

Due to their rotational impact function, IMPACT screwdrivers generate a number of peak forces, which "normal bits" cannot withstand over the long term. IMPAKTOR bits are specially designed for use in impact screwdrivers and, depending on the drive, increase the working life of the bits to several times the life of conventional standard bits.

overall length: 25 mm

Technical description

Hexagon	5 mm
overall length	25 mm
Drive profile	Hexagon screwdriver
Type of product	Bit tool

Accessories

IMPAKTOR bits set for IMPACT screwdrivers, 30 pieces
