

## IMPAKTOR bit for Torx®, 1/4 inch E 6.3, Torx® profile: TX25

### Order data

Order number	674127 TX25
GTIN	4013288157515
Item class	63H

### Description

#### Version:

Selected steel quality, hardening technique, production process, and special geometries lead to outstanding results with IMPACT screwdrivers. In connection with the diamond coating (significantly reduces cam-out forces) and the torsion zone, working lives up to 5 times **longer** than standard bits are achieved.

#### Application:

Due to their rotational impact function, IMPACT screwdrivers generate a number of peak forces, which "normal bits" cannot withstand over the long term. IMPAKTOR bits are specially designed for use in impact screwdrivers and, depending on the drive, increase the working life of the bits to several times the life of conventional standard bits.

overall length: 50 mm

### Technical description

Torx® profile	TX25
overall length	50 mm
Drive profile	Screwdriver for TORX® screws
Type of product	Bit tool

### Accessories

Bits set with drive tool and hexagon key L-wrenches 52 pieces	675990
---	--------

IMPAKTOR bits set for IMPACT screwdrivers, 6 pieces
