

IMPAKTOR bits set for IMPACT screwdrivers, 10 pieces

Order data

Order number	674131
GTIN	4013288156792
Item class	63H

Description

Version:

Selected steel quality, hardening technique, production process, and special geometries lead to outstanding results with IMPACT screwdrivers. In connection with the diamond coating (significantly reduces cam-out forces) and the torsion zone, **working lives up to 5 times longer** than standard bits are achieved.

Application:

Due to their rotational impact function, IMPACT screwdrivers generate a number of peak forces, which "normal bits" cannot withstand over the long term. IMPAKTOR bits are specially designed for use in impact screwdrivers and, depending on the drive, increase the working life of the bits to several times the life of conventional standard bits.

Content:

IMPAKTOR bits, C 6.3, for Phillips: No. 674110 3 pcs. size 2; 1 pc. size 3

IMPAKTOR bits, C 6.3, for internal Torx®: No. 674117 3 pcs. size TX25, 1 pc. each size TX30, TX40

1 IMPAKTOR adapter: No. 674100 size 6.3R with ring magnet

Technical description

Drive profile	Screwdriver for Phillips
Drive profile	Screwdriver for TORX® screws

Number of pieces	10
Bit length	25 mm
Drive tool	no
Type of product	Bit tool
